Expression of Interest

Saddle Hills County has seen an increase in the number of seniors and disabled members of our community seeking Home Support Services and providers for those services. Home Support Services include:

- meal planning and preparation (which includes grocery shopping);
- light snow shoveling or gardening;
- making beds and changing linens;
- cleaning bathrooms;
- machine washing and ironing; and
- other light housekeeping such as dusting, washing floors and vacuuming.

Seniors and individuals with a disability can hire individuals or organizations under this program to provide any of the above mentioned services. The services are paid by the Home Support Applicant and the Applicant is reimbursed by the County.

If you are interested in providing Home Support Services, such as those listed above, please provide the information below and we will pass this on to Applicants when requested.

Please note that the County is not responsible for hiring staff or providing the support services, and it is at the sole discretion of the Applicant receiving support whether or not to contact or hire individuals.
