

# Rural Address Sign Request

As a landowner in Saddle Hills County you can request a rural address sign for your residence or cabin free of charge. Landowners need to put in the request but signs can be installed at rental properties.

A rural address sign helps first responders locate your property in the event of an emergency, helping to minimize delays in response times and improve safety for all.

If you have any questions or require assistance please contact our Development Coordinator at (780) 864-3760
