Tourism Development			x (note 10)				
Weed Control	x						

Note 1 - road maintenance sharing for discussion:

- (a) Gundy area - should SHC consider maintaining the first two miles?
- (b) review of the roads north of La Glace, if municipal - consider maintenance by CGP
- (c) Spring Lake Road - currently maintained by SHC - benefits CGP residents

Note 2 - Claremont Landfill Agreement between SHC & CGP - solid waste disposal

Note 3 - multiple emergency management agreements are in place:

- (a) GPREP/CPREM Emergency Management Mutual Aid Agreement
- (b) Northwest Alberta Emergency Resource Sharing agreement

Note 4 - SHC funds/sponsors various non-profit groups operating and providing services outside of the SHC's geographical boundaries

Note 5 - SHC has an agreement with the County of GP for animal control in the Hamlet of Woking

Note 6 - Peace River Economic Development Association (both municipalities are members); SHC sponsors the annual Growing the North conference

Note 7 - Regional Enforcement Services Occurrences Reporting Use Agreement with the county of Grande Prairie

Note 8 - Peace Regional Library Systems

Note 9 - SHC utilizes CGP's beaver dam blasting service (no formal agreement)

Note 10 - SHC funds the Dinosaurs Museum

Inter-municipal Development Plan Assessment

Key IDP focus - what are the potential growth areas along the boundaries of the County's, and what implications might they have for municipal services. Should these growth areas be reflected within an IDP?
