

# DISCOVER THE SADDLE HILLS ADVANTAGE

## SAVING MONEY ON YOUR UTILITIES

Did you know that you have the power to choose how to buy your energy? The current rising cost of utilities is putting a strain on individuals and businesses in Alberta. Resources, like UCA (Utilities Consumer Advocate) Helps, can offer advice on ways to cut your current rates, including how to switch your energy retailer, whether to opt for regulated rates or competitive contracts, and how to lock in your utility rate, among others. Visit <https://ucahelps.alberta.ca/> for more information and resources, or give them a call at (780) 310-4822 to discuss your utilities options.

## WATERLINE CONSTRUCTION IN WOKING AREA

Beginning on Monday, January 23, 2023 Saddle Hills County started installing new pipeline in the Woking Area, to connect residences and businesses to the rural water network (highlighted area). The waterline construction in the area will take approximately 2-3 months. During this time please use caution when driving in the area and be aware of work zones. There will be no interruption to water services during this time. The County is currently working on obtaining additional easements to expand the rural waterline to the east of Woking, with work expected to commence in 2023. We would like to thank the community for your patience as we complete these necessary upgrades and look forward to providing a safe and reliable source of potable water for many years to come.
