

# DISCOVER THE SADDLE HILLS ADVANTAGE

## WEED INSPECTORS BEGIN WORK

Did you know that Saddle Hills County is at the heart of one of Canada's most important crop producing regions? To help ensure the high quality of our crops and eliminate pests, our Weed Inspectors carry out regular annual inspections, looking for noxious and prohibited weeds listed under the Weed Control Act and nuisance and pest species listed under the Agricultural Pests Act. So, if you see a County staff member in your field in the coming months, they are there to help! Weed Inspectors may park vehicles in field approaches but will never drive onto your land, and follow strict biosecurity protocols to prevent disease spread. If you have any questions or concerns about weed inspections, or other services that our Ag Services Department offers, please call us at (780) 864-3760 or email [ag@saddlehills.ab.ca](mailto:ag@saddlehills.ab.ca)
