FIRE ADVISORY IN EFFECT

Due to the rising temperature, lack of snow cover, and quickly drying conditions, a FIRE ADVISORY is now in effect for Saddle Hills County. Permission to burn will be carefully assessed, on a case-by-case basis, until conditions improve. Please complete a Controlled Burn Application to request permission to burn. We appreciate your cooperation and commitment to keeping our community safe this wildfire season!

NOTICE OF ROAD BANS

With spring temperatures arriving, the County may implement Road Bans to protect the road service from heavy vehicle damage. We also issue Road Ban Exemptions for companies and farmers that have Road Use Agreements and need to continue using certain roads. Currently there are no Road Bans in place, however this could change quickly dependent on weather conditions. Road Bans will be posted online at saddlehills.ab.ca/roadbans, and an updated list can be provided by the County office.
