

THE Wilderness IS OUR BACK YARD

A MESSAGE FROM THE REEVE

As I look back on 2024, I am once again in awe of all our community has achieved this year. I feel privileged to call Saddle Hills County my home and grateful for the many wonderful people throughout the County, without whom many of these accomplishments wouldn't have been possible.

Heading into the new year, Council is excited to share the many new projects and initiatives the County will be working on in 2025, and we look forward to another bright year ahead.

On behalf of the Council and staff of Saddle Hills County, I would like to extend our best wishes this holiday season, and wish all a prosperous and joyful new year.
