

THE Wilderness IS OUR BACK YARD

DOG LICENCE RENEWALS

If you live in the Hamlet of Woking and have one or more dogs, please note that current Dog Licences expired on **December 31, 2024**. To renew, please complete a Dog Licence Application on the County website at saddlehills.ab.ca/Dog-Licence, scan the QR code, or contact the County office.

REMOTE POTABLE WATER HAULING SUBSIDY

The Remote Potable Water Hauling Subsidy has been created to provide a fair and equitable subsidy to Saddle Hills County residences that will not be able to connect to the Rural Potable Waterline. Council has approved two areas for 2025 - Gundy and the area known as Doe River, west of the Pouce Coupe River. Applicants must apply yearly to be included. For more information, visit saddlehills.ab.ca/water-hauling-subsidy, scan the QR code, or call Manager of Environmental Services, Darren Lubeck, at (780) 864-3760.

PRIVATELY OWNED EQUIPMENT LIST

Contractors wanting to provide heavy equipment and gravel hauling services for Saddle Hills County, must register with the County annually by completing and submitting a Privately Owned Equipment Registration Form. These forms are available online at saddlehills.ab.ca/privately-owned-equipment, by scanning the QR code, or at the County Admin Building. You can register at any time, however; our construction season usually begins on, or around, April 1, and we urge interested contractors to submit their applications by **March 15, 2025**.

SAFETY TIPS FOR PASSING PLOWS & GRADERS

Please be aware of slow moving graders and snowplows. Our graders and plows use highways to get around the County, to ensure all of our roads remain safe and clean.

- Treat graders and plows as slow-moving vehicles and only pass when it is safe to.
- Watch for signal lights while on the highway.
- When graders and plows are working, please stay further back and pass only when it is safe or when the operator signals for you to do so.
- Allow graders and plows extra room at intersections, as they may be backing up or turning around.
- Stay behind any dust or snow clouds, so that oncoming traffic and grader and plow operators can see your vehicle clearly.
